

INTEGRATED MANAGEMENT SYSTEM (IMS)

JMG is committed to:

- Integrating quality, health, safety and environment (QHSE) in how we do business;
- Preventing pollution, injury and ill health;
- Complying with applicable legal requirements and other requirements to which we subscribe, related to our environmental aspects, risks, hazards, etc, associated with the QHSE integrated management system;
- It shall provide the framework for setting and reviewing QHSE objectives and targets;
- Documenting, implementing, maintaining and continually improving on our QHSE integrated management system and its performance;
- Communicating to all persons working under our control with the intent that they are made aware of their individual and QHSE obligations;
- Making this policy available to interested parties;
- Contributing to the development of sustainable energy systems and technology;
- Demonstrating the importance of QHSE through hands-on leadership and behaviour;
- Openness in all QHSE issues and active engagement with stakeholders.
